Clinical Feedback

Ashley Rich, Special Educator, comments:

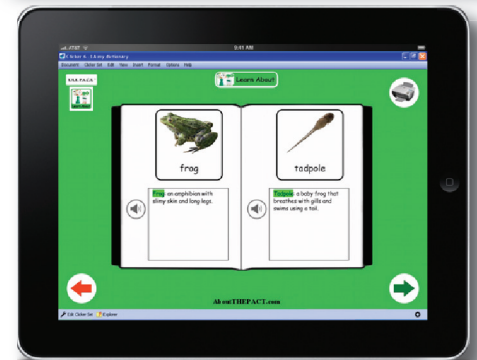

"I wanted to let you know that since I've gotten the T.H.E. P.A.C.T. Power Tools Collection, I've been **addicted** to it! It is so easy and quick! I knew it would be amazing and I waited patiently to get it. It's so easy that Madigan, my 3-year old daughter, has been helping me make curriculum for my learners. I just wanted to say fantastic job to you and your team. The time and effort really paid off."

Deborah Kavanaugh, Special Education Teacher, describes:

"**T.H.E. P.A.C.T. Power Tools for Clicker** are extremely beneficial to any program and I love how they could be used with any student in a whole group or classroom activity!"

T.H.E. P.A.C.T.™ Power Tools Collection Directly Aligns with the Common Core Standards

Draw a Line from the Standards in the Common Core Initiative to the 341 Template Collection

Common Core Area: Language

Learn About™

Examples of Standards

- Acquire & use accurately grade appropriate general academic & domain-specific words & phrases
- Show comprehension of word relationships & word meaning
- Demonstrate an understanding of figurative language
- Determine the meaning of unknown & multiple-meaning words & phrases from an array of strategies consulting general & specialized reference materials

Common Core Area: Reading

Read About™

Examples of Standards

- Determine the meaning of general academic & domain-specific words or phrases in a text
- Determine the main idea of a text & how it is supported by key details
- Refer to details & examples in a text when showing what the text says and when drawing inferences from the text
- Identify events, procedures, ideas, or concepts in a historical, scientific, literary, or technical text, including what happened & why, based on specific information in the text

Your Solution to Interactive Curriculum Instruction

WHAT?

Decreases material development time & you can create instructional activities **IN MINUTES** - on the fly during a busy school day!

HOW?

By placing all of your vocabulary & related content in a place that makes it available to you in **ALL** 341 activities.

WHY?

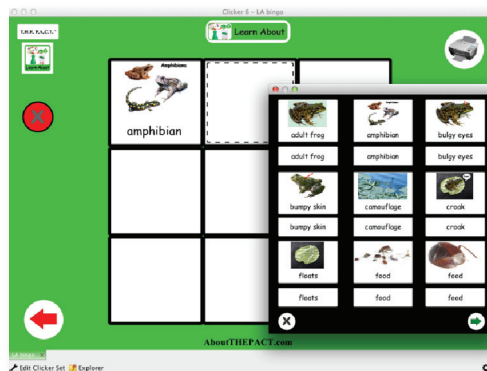

To maximize your productivity, increase learner engagement, & decrease the amount of staff training needed.

Clinical Feedback

Nancy Mulkerin, Special Education Resource Teacher, says:

"The feature I find to be most beneficial is how easy T.H.E.

P.A.C.T. Power Tools for Clicker are to use!"

Clinical Feedback

Christine Walsh, Speech-Language Pathologist, describes:

"T.H.E. P.A.C.T. Power Tools offer easy access to language activities! It allows students to use technology to learn at a highly accessible level."

Simply Select & Place Content into Any Activity ... Easy for Both You AND Your Learners to Set Up

T.H.E. P.A.C.T.™ Power Tools Collection Directly Aligns with the Common Core Standards

Draw a Line from the Standards in the Common Core Initiative to the 341 Template Collection

Common Core Area: Writing

Write About™

Examples of Standards

- Develop & strengthen writing as needed by planning, revising, & editing
- Introduce a topic clearly & group related information
- Develop facts, definitions, concrete details, quotations, & other information related to the topic
- Use a variety of transitional words & phrases to manage the sequence of events & link ideas
- Compose a concluding statement or section

Common Core Area: Speaking & Listening

Talk About™

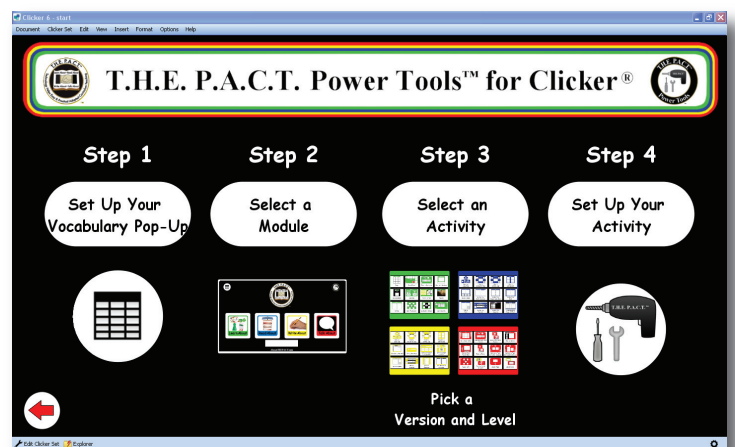

Examples of Standards

- Paraphrase portions of text or information
- Engage effectively in a range of collaborative discussions
- Respond to specific questions to clarify or follow up on information
- Make comments that contribute to a collaborative discussion
- Report on a topic or text, tell a story, or recount an experience in an organized manner, using facts & relevant descriptive details to support main ideas or themes

Whether You are a New or Existing Clicker User . . .

- You use a handful of simple activity setup “strategies” as a result of advanced, behind-the-scenes programming
- You can immediately start using the collection in 4 basic steps
